

## **Statement of Psychological Supervision**

If you and/or your insurance company requires Psychological Supervision, Kathy Lloyd is supervised by Dr. Brynah Schneider (starting February 1, 2018). Dr. Schneider is a Registered Psychologist with the College of Psychologists in Ontario (registration #2467). She assumes a supervisory role with Kathy Lloyd for clients who need third party coverage (reimbursement for counselling services through extended health coverage) where a registered clinical psychologist is required. As a psychological supervisor, Kathy consults with Dr. Schneider regarding your psychotherapy. This means that, as required, Dr. Schneider will be aware of my clinical work with you.

At the end of each session you make a cheque payable to Dr. Brynah Schneider and these cheques are deposited directly into her account. Kathy will issue you with a receipt signed by Dr. Schneider, which includes her registration number with the College of Psychologists. You then submit this receipt to your insurance company or third party payer for reimbursement.
